## IT'S A SUPERSTAR SUMMER AT MADAME TUSSAUDS WITH THE ONE AND ONLY, DWAYNE JOHNSON

*Hollywood icon receives double honour with new figures in London and Asia*

**16<sup>th</sup> August 2019** – Fans of Dwayne ‘The Rock’ Johnson will be doing a double-take this summer, as the man of *many* talents makes not one but two Madame Tussauds debuts.

The superstar has been working with the world-renowned brand on two new figures. One will take up permanent residency at Madame Tussauds London whilst the other will tour Asia, kicking off at Madame Tussauds Beijing.

The Hollywood heavyweight has been working closely with the Madame Tussauds team to perfect his new figures, right down to his million-dollar smile. Both figures stand red-carpet ready in outfits chosen by the Dwayne himself: London’s figure rocks the actor’s 2018 *Rampage* London premiere look, while Beijing’s touring figure is wearing his 2018 *Rampage* Los Angeles premiere suiting.

Dwayne Johnson said of his cross-continental debut: “A very cool honor to have multiple Dwayne Johnsons have a presence at Madame Tussauds. One sexy DJ will have residency in London, while the other sexy DJ will travel Asia and the world, starting in Beijing. So I invite you all to come hang out with me, take some fun selfies, raise a glass and toast to hard work, gratitude and the words I NEVER hear when people meet me for the first time, “I thought you’d be bigger”.

Steve Davies, General Manager at Madame Tussauds London, said: “You would be hard pressed to find someone who would not jump at the chance to hang out with Dwayne Johnson. Everything about him is supersized – his workouts, his drive, his generosity, his smile. He’s not just one of the

*biggest stars in the world right now; he's one of the most loved. I'm not embarrassed to say I have my own man crush on him."*

With film revenues exceeding \$10 billion worldwide, Dwayne Johnson is a global box-office powerhouse with a resume, in film and television, as extensive as it is versatile.

Johnson has garnered much critical acclaim and recognition for his range and diverse projects. Most recently, he received the 2019 MTV Generation Award and was named one of 2019 Time Magazine's "100 Most Influential People."

Johnson is taking on double duty these days as the star and producer in all of his upcoming feature film projects. Currently Dwayne can be seen in *Fast & Furious Presents: Hobbs & Shaw*, the highly anticipated spin-off from the *Fast and Furious* franchise. Directed by David Leitch, the high-octane action film also stars Jason Statham and Idris Elba and will be released in China on August 23, 2019.

In December 2019, Johnson will star in *Jumanji: The Next Level*. The action-comedy reunites him with an all-star cast that includes Kevin Hart, Jack Black and Karen Gillan alongside newcomers Danny DeVito, Danny Glover and Awkwafina.

Next year, Johnson and his Seven Bucks Productions will partner with Disney on *Jungle Cruise*. Together, along with co-star Emily Blunt, they will bring Disneyland's beloved theme park ride to life on the silver screen and take audiences on the adventure of a lifetime.

Adding to his 2020 slate, Johnson reteams with his *Skyscraper* and *Central Intelligence* writer/director, Rawson Marshall Thurber, in the international action-thriller, *Red Notice*, starring opposite Gal Gadot and Ryan Reynolds.

On the television side, Johnson is back this year for a fifth season of HBO's highest rated 30-minute series, "Ballers." Johnson, with his Seven Bucks Productions, continues to serve as a producer alongside Mark Wahlberg and Stephen Levinson. In addition, Johnson created, produced and starred in NBC's large-scale competition series "The Titan Games," which is expected to return for a second season in 2020.

Dwayne Johnson's figure is available for guests to meet from tomorrow (Saturday 17<sup>th</sup> August).
